Institute Innovation Council and Arogya Parigyan Club of Priyadarshini J L College of Pharmacy, Nagpur organised Online Joint Webinar-Workshop on IPR-Patents in association with Rajiv Gandhi National Institute of Intellectual Property Management (RGNIIPM), Nagpur (M.S.) for the intellectual, researchers and students. The topic of the program is "Intellectual Property Rights (IPR) & Patent process". The session delivered by Mrs. Pooja Maulikar, Examiner of Patents and Design, RGNIIPM, Government of India, Ministry of Commerce and Industry on dated 27th July 2022 at 12:00 noon. The welcome note is given by Dr. A. J. Asnani, President, IICPJLCP. The proceeding of the program is governed by Dr. Mrs. S. A. Deshpande and smooth functioning was coordinated by Mr. Sapan Shah. Total 504 participants joint program from various institutes across nation. The team work by Mr. Datta Avhad and Mr. Ujban Hussain is well appreciated.

#### **Objective:**

The objective was to inform-

To raise awareness amongst intellectual, researchers and students. To highlight the importance of patenting and patent process.

#### **Benefits in terms of learning/Skills/Knowledge obtained?**

Enhanced IPR awareness amongst the citizens of the country would result in an increased IP portfolio of the country – this would mean an increase in the IP's generated domestically, increased competitiveness of the Indian industry both domestically and globally as well as economic growth.

### Report of Workshop

#### On Laboratory techniques and Statistical tools in Experimental Pharmacology

**Name of the program attended:** Two days National workshop on Laboratory techniques and Statistical tools in Experimental Pharmacology

**Date:** 27<sup>th</sup> and 28<sup>th</sup> April, 2023

**Venue:** Priyadarshini J. L. College of Pharmacy

**Relevance to PO's:** To enrich the students and the faculty with the Experimental knowledge

**Objectives:** To Understand Animal protocols, different laboratory techniques such as Animal handling, Preclinical models (CNS oriented models & Analgesic models) and video tracking softwares. Also better understanding of statistical tools in experimental pharmacology.

**Beneficiary:** Students, Faculty, Institute

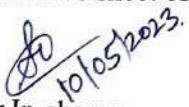

**Program Organizing Committee:** Pharmacology Department

Dr. Mrs. Shilpa Deshpande, Associate Professor

**Outcomes:** Total 80 Participants have registered for the workshop including faculty, Ph.D. Scholars & PG Students from various pharmacy and medical colleges from all over Maharashtra. It provided an opportunity to the participants to upgrade their knowledge by attending lectures on Animal protocols, laboratory techniques, preclinical models and statistics. Also, it helped to enhance the practical knowledge of participants by demonstrations on animal handling, blood withdrawal methods, preclinical models and video tracking softwares.
