**Report on Training Program (Health Care)**  
**as part of a CSR program supported by ATOS SYNTEL**  
**between 30<sup>th</sup> Jan-15<sup>th</sup> Feb 2023**

GTT Foundation in association with Training and Placement Department, PJLCP recently conducted an extensive training program for B. Pharm Semester VIII students on Personality Development, Mock Interviews & Pharma Domain (Pharmacovigilance, Medical Coding, and Medical Transcription) Skills. The training program was as part of a CSR program supported by ATOS-Syntel. The aim of the program was to equip the participants with the skills and knowledge in these areas and to provide them with an opportunity to gain hands-on experience in the field. This report provides a detailed overview of the program, the objectives, the participants, the activities and the results.

The program was divided into two sections.

- The first part was a 10-day focused on Pharma Domain Skills. During this session, the participants were provided with an overview of the topics, including the basic concepts and theories of pharmacovigilance, medical coding and medical transcription. They were then taught the practical aspects of each topic through lectures, case studies, and hands-on activities.
- The second part was of 5-days program focused on Mock Interviews and Personality Development. During this section, the students were taught to equip with the necessary skills, develop their personality, were taught how to present themselves in an effective manner, how to develop their personality, how to create a positive impression and knowledge to face an interview. This also includes developing skills in communication, public speaking, problem-solving, and self-confidence the Practical work.

**Objectives:**

The main objective of the program are-

1. To equip the students with the knowledge and skills required for mock interviews.
2. To help the students understand the importance of personality development.
3. To develop skills in communication, public speaking, problem-solving, and self-confidence.
4. To enhance their knowledge of Pharma Domain Skills and its features

**Participants:**

The program was attended by 58 students from B. Pharm Semester VIII. The students were from different backgrounds and had different levels of knowledge and experience.

**Activities Conducted:**

The program consisted of several activities to enhance the students' skills in the relevant areas. These activities included:

**Activity 1: Personality Development**-The students were trained on effective communication skills, body language, confidence building, and personality development. The session also focused on developing a positive attitude and developing the ability to handle stress

- Group Discussion on traits to develop a positive personality
- Role-play by students to showcase positive personality traits
- Group Exercise on developing communication skills
- Lecture by an expert on tips for improving interpersonal relationships

**Activity 2: Mock Interviews**-The students were given the opportunity to practice their interviewing skills in a mock interview setting.

- Student pairs conducted mock interview sessions
- Expert feedback on body language, communication, and preparation
- Role-playing to practice answering difficult questions
- Group Exercise to practice responding to typical interview questions

**Activity 3: Pharma Domain Skills**

- Lecture on Pharma Domain Skills (pharmacovigilance, medical coding and medical transcription)
- Group Projects: Students were assigned group projects to complete which focused on the different skills in each domain
- Case Studies & Group Discussions to discuss the different approaches and solutions to the problems presented
- Role-play by students to practice discussing various topics in the industry
- Job-Oriented Training: Students were provided with job-oriented training to help them prepare for the job market.

**Outcomes of the Training Program:**

**1. Personality Development:**

- Students were able to understand the importance of a positive attitude and the power of self-confidence in achieving personal and professional goals.
- They gained knowledge about different communication styles and the ability to demonstrate effective communication in different situations.
- They developed a better understanding of the importance of developing personal integrity and the ability to work in teams.

**2. Mock Interviews:**

- Students were able to prepare for interviews by practicing with a panel of interviewers and getting feedback on their performance.
- They learned how to prepare a resume, articulate their qualifications in an interview, and handle challenging questions.
- They were able to demonstrate the ability to stay positive and remain professional throughout the interview.

**3. Pharma Domain Skills:**

- Students were exposed to the different aspects of the pharma industry, the different roles and the dynamics of the industry.
- They were able to understand the different regulatory and compliance requirements of the pharma industry.
- They gained knowledge about the different marketing, sales, and distribution strategies in the pharma industry.

Training and Placement Cell, Priyadarshini J. L. College of Pharmacy, Nagpur organized a Seminar on the topic "**Career Options and Future Prospects in Pharma Field**" dated 2<sup>nd</sup> December 2022. The program was basically for the students of B.Pharm and M.Pharm who are in their career-deciding years. Mr. Sapan Shah, T & P Cell Incharge, took the opportunity of welcoming the guest Mr. Deepak Pardhi and highlighted the importance of the topic to the students of the college. Mr. Pravin Bisen was welcome by Mrs. S. G. Gurunani, Co-Incharge, T & P Cell, PJLCP, Nagpur. The proceedings of the program were conducted by Ms. Varsha Barethiya, Asst. Prof. PJLCP, Nagpur.

The Speaker, Mr. Deepak Pardhi, CEO, of Educare Globus, Nagpur introduced the various professional areas in Pharma Field where students have an opportunity to build a bright career. He also encouraged students on choosing the field they are interested in rather than allowing somebody else to govern it. Later on, Mr. Pravin Bisen gave a brief introduction to certified courses run by EducareGlobus for the B.Pharm and M.Pharm students.

The program was concluded with a vote of thanks by Mr. Prashant Amale, Asst. Prof. PJLCP, Nagpur followed by feedback from all participants.

**PRINCIPAL**  
**Priyadarshini J. L. College of**  
**Pharmacy, Nagpur.**

With the great efforts of all the Incharges, Co-Incharges, Organizing committee members, and Students program were ascertained successful. The Program was attended by 83 Students and 8 Faculty members of the college. Overall the program helped the students to have a better understanding of the opportunities that could be offered by Apprenticeship, Entrepreneurship, and Higher education.
