Program Report

Title of Program with date and time: Workshop on "Entrepreneurship and Innovation as Career Opportunity"

Date and Time of the Event: 24/11/2023 11:00am – 01:00pm

Academic Year: 2023-24

Program/Activity Name: Workshop on "Entrepreneurship and Innovation as Career Opportunity"

Program Type: Workshop

Program Theme (select any one): Career Opportunities in Entrepreneurship and Innovation

Duration (in minutes): 02 Hrs.

Start Date: 24 November 2023

End Date: 24 November 2023

No. of Student Participants: 30

No. of Faculty Participants: 05

No. of External Participants: None

Expenditure Amount: None

Mode of Session: Offline

Objective: The event underscored the potential career opportunities that entrepreneurship and innovation offer to individuals in the ECE field. As technology continues to reshape industries, the need for creative problem-solvers and visionaries has grown exponentially. Entrepreneurship provides an avenue for those willing to take calculated risks and turn their innovative ideas into reality, while also contributing to economic growth and societal advancement.

Paragraph Explanation about activity

The Priyadarshini J. L. College of Pharmacy, organized a seminar on "Career Opportunities in Entrepreneurship and Innovation" on November 24, 2023. The objective of the seminar was to educate and inspire students about the prospects of entrepreneurship and innovation as viable career paths in the rapidly evolving technological landscape.

The seminar commenced at 11:00 AM in the institute's auditorium and was well-attended by students, faculty members. The event was inaugurated by the Principal sir, Head of the department Dr. Mrs. A. J. Asnani, who emphasized the importance of entrepreneurship in driving economic growth and creating job opportunities.

Director Mayon Pharmaceuticals Mr. Yusuf Chimthanawala sir's speech he'd light on his personal journey as an entrepreneur, highlighting challenges faced, lessons learned, and the impact of innovation on his career. He encouraged students to think outside the box and consider entrepreneurship as a means to not only create innovative solutions but also to contribute to societal progress. These workshops also aimed to equip participants with practical skills and knowledge essential for venturing into entrepreneurship.

Benefit out of it: The seminar on "Career Opportunities in Entrepreneurship and Innovation" organized by the Priyadarshini J.L. College of Pharmacy, successfully achieved its objective of inspiring and informing students about the prospects of entrepreneurship and innovation. The event provided a platform for students to interact with successful entrepreneurs, learn from their experiences, and gain insights into the world of startups and innovation. The Department's efforts in arranging such a seminar are commendable, as it empowers students to consider alternative career paths and make informed choices about their futures in the dynamic field of technology.

PROGRAM REPORT

Title of Event Conducted: Viksit Bharat@2024:Voice of Youth

Date: 11/12/2023

Time: 10:00am to 12.00noon

Venue: Priyadarshini J.L. College of Pharmacy, Wing C Room no. 124, Hingna, Nagpur

Objective: The initiative aim is to provide a platform to the youth of the country for contributing ideas to the vision of Viksit Bharat@2024. The vision encompasses various aspects of development, including economic growth, social progress, environmental sustainability, and good governance, among others. Prime Minister Shri Narendra Modi will launch 'Viksit Bharat @2047: Voice of Youth' on 11th December, 2023 at 10:30 AM via video conferencing

PJLCP,B. Pharm Sem I Class teacher Mrs. Sneha Sachin Tidke make all necessary arrangements to conduct the Talk of Our Hon'ble Prime Minister Shri Narendra Modi on Viksit Bharat@2024. Where students of B. Pharm Sem I with Class Teacher Mrs. S. S. Tidke and Mrs. S. A. Rathod was present.

The Prime Minister, Shri Narendra Modi launched 'Viksit Bharat @2047: Voice of Youth' via video conferencing. During the program, Prime Minister Modi addressed the Vice Chancellors of Universities, Heads of Institutes and faculty members in workshops organized at Raj Bhawans across the country to mark the beginning of this initiative.

The Prime Minister began his address by extending a huge thank you to all the Governors for organizing today's workshop for the development of Viksit Bharat and said that today is a special occasion regarding this resolution. He lauded their contributions of bringing together all the stakeholders who hold the responsibility of guiding the youth of the nation in accomplishing the goal of Viksit Bharat 2047. Prime Minister Modi highlighted the role of educational institutions in the personality development of an individual and said that a nation becomes developed only with the development of its people. Underlining the importance of personality development in the present era, the Prime Minister extended his wishes for the success of the Voice of Youth workshop.

The Prime Minister said that in the life of any nation, history provides a time period when the nation can make exponential strides in its development journey. For India, "This Amrit Kaal is ongoing" and "this is the period in the history of India when the country is going to take a quantum leap". He gave examples of many nearby countries that took such a quantum jump in a set timeframe and turned into developed nations. "For India, this is the time, right time (Yahi Samay hai, Sahi Samay hai)", he said, adding that each and every moment of this Amrit Kaal should be utilized.

Prime Minister Modi underlined the need to channel the energy of the students and the youth of every university towards achieving the common goal of 'Viksit Bharat'. Noting the diversity of ideas, the Prime Minister stressed linking all the streams towards building a developed India. Shri Modi urged everyone to go beyond their limits to contribute to the vision of Viksit Bharat@2047.

Abstract:

He suggested running special campaigns in every college and university in the country to connect more and more youth with this campaign. The Prime Minister mentioned the launch of Ideas Portal related to Viksit Bharat and informed that suggestions can be given on 5 different themes. "A prize has also been arranged for the best 10 suggestions. You can also give your suggestions on MyGov", he added. "Idea starts with an 'I' just like India begins with an 'I'", the Prime Minister remarked as he underlined that the idea of development can only begin with the 'I' of herself.

Elaborating on the exercise of seeking suggestions, the Prime Minister emphasized the need to create an Amrit generation which keeps the national interest paramount. He stressed the need to go beyond education and skills and called for alertness for the national interest and civic sense among the citizens. "When citizens, in whatever role, start doing their duty, the country moves forward", the Prime Minister said. He gave examples of the preservation of natural resources through water conservation, saving electricity, using fewer chemicals in farming and using public transport. He asked the educationist fraternity to suggest ways of giving new energy to Swachhta Abhiyan, combating lifestyle issues and exploration of the world beyond mobile phones by the youth. He asked them to be role models for the students. He said that social thinking is reflected in the governance too and asked the gathering to see that degree holders should have at least one vocational skill. "You should carry forward a comprehensive process of brainstorming on these topics at every cap, every institution and at the state level", he added.

Drawing the analogy of the period of development of 'Viksit Bharat' to that of an examination, the Prime Minister mentioned the confidence, preparation and dedication of the students as well as the contributions of the families in maintaining the required discipline to accomplish the goal. He remarked that the exam date has also been declared for us as citizens of the country. "We have 25 years of Amrit Kaal in front of us. We have to work 24 hours a day for the goal of Viksit Bharat. This is the environment we have to create as a family", the Prime Minister emphasized.

Noting that the rapidly increasing population of the country is empowered by youth, Shri Modi informed that India is going to be the leader in terms of the working-age population for the coming 25-30 years and the world recognizes this. "Youth power is both the agent of change and

also the beneficiaries of change", PM Modi said. He emphasized that the next 25 years are going to be decisive for the careers of the youth in colleges and universities of today. Concluding the address, the Prime Minister underlined that the roadmap of progress will not be decided by the government alone but by the nation. "Every citizen of the country will have input and active participation in it", Shri Modi said pointing out that even the biggest resolutions can be accomplished by the mantra of Sabka Prayas, i.e. public participation. He gave examples of Swachh Bharat Abhiyan, Digital India Campaign, resilience during the Corona pandemic, and Vocal for Local highlighting the power of Sabka Prayas. "Viksit Bharat has to be built only through Sabka Prayas", the Prime Minister said. Shri Modi reiterated the high expectations from the scholars present on the occasion as it is they who shape the vision of the country's development and channelize the youth power. "This is a great campaign to write the future of the country", the Prime Minister concluded and urged them to turn in their suggestions to further enhance the grandeur of Viksit Bharat

Program Report

Title of Program: Organised Innovation & Entrepreneurship Outreach in Schools

Date and Time of the Event: 19/04/2024 12:00noon – 05:00pm

Academic Year: 2023-24

Program/Activity Name: Workshop on "Innovation & Entrepreneurship Outreach in Schools

Program Type: Workshop

Program Theme (select any one): Innovation & Entrepreneurship at school level

Duration (in minutes): 05hrs

No. of Student Participants: 60

No. of Faculty Participants: 05

No. of External Participants: None

Expenditure Amount: 2000

Mode of Session: Offline

Objective:

- To foster a culture of innovation and entrepreneurship.
- To equip aspiring entrepreneurs with essential skills and knowledge.
- To create a supportive ecosystem for startups and provide incubation and mentorship.
- To empower participants to develop innovative solutions and create sustainable businesses.
- To contribute to economic growth and job creation.
- To ensure long-term sustainability and scalability through continuous evaluation and learning.

Benefits

Enhanced entrepreneurial skills, incubation support, fostering innovation mindset, job creation, economic growth, sustainable ventures, long-term impact, personal growth, community development.

About the Program:

The Innovation & Entrepreneurship Outreach Program organized a School in Nildoh Grampachayat, Highschool, where we aimed to inspire and educate young students about the world of innovation and entrepreneurship. During the interactive session, we shared exciting ideas, real-life success stories, and engaging activities to spark their creativity and problem-solving skills. By fostering an entrepreneurial mindset at an early age, we hope to empower these students with the tools and confidence to pursue their passions, think outside the box, and become future leaders in various fields. Through such outreach initiatives, we aspire to contribute to the development of a more innovative and dynamic society.

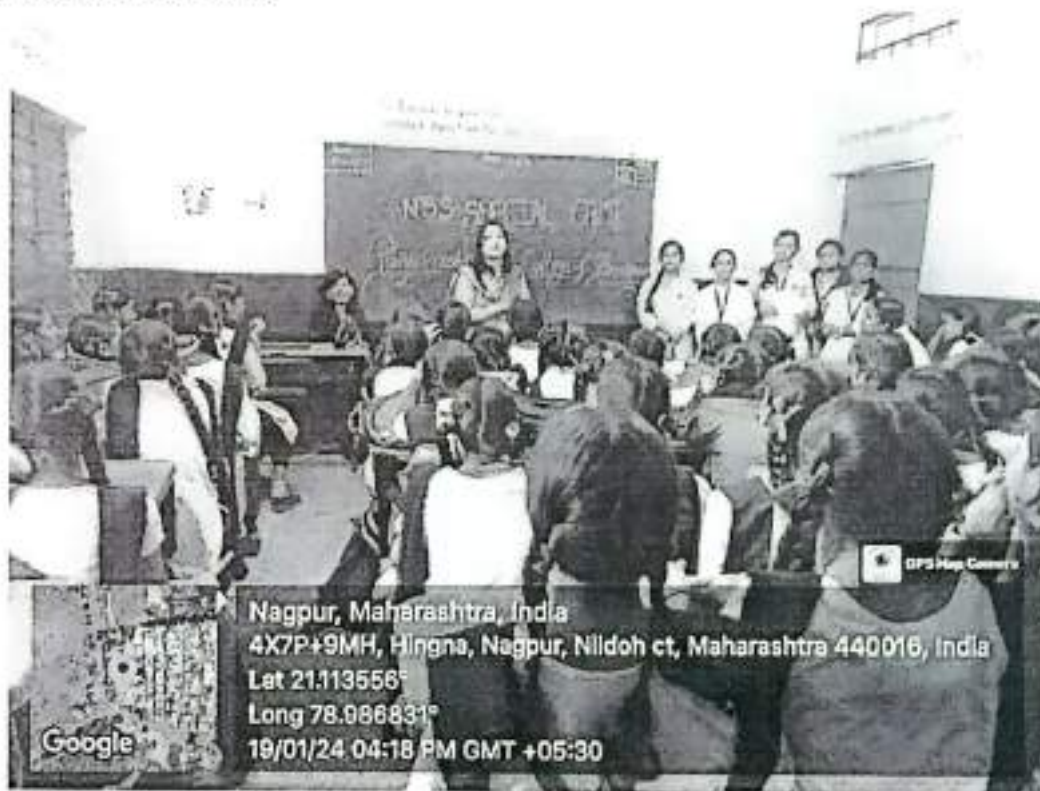

Highlights of the Program:

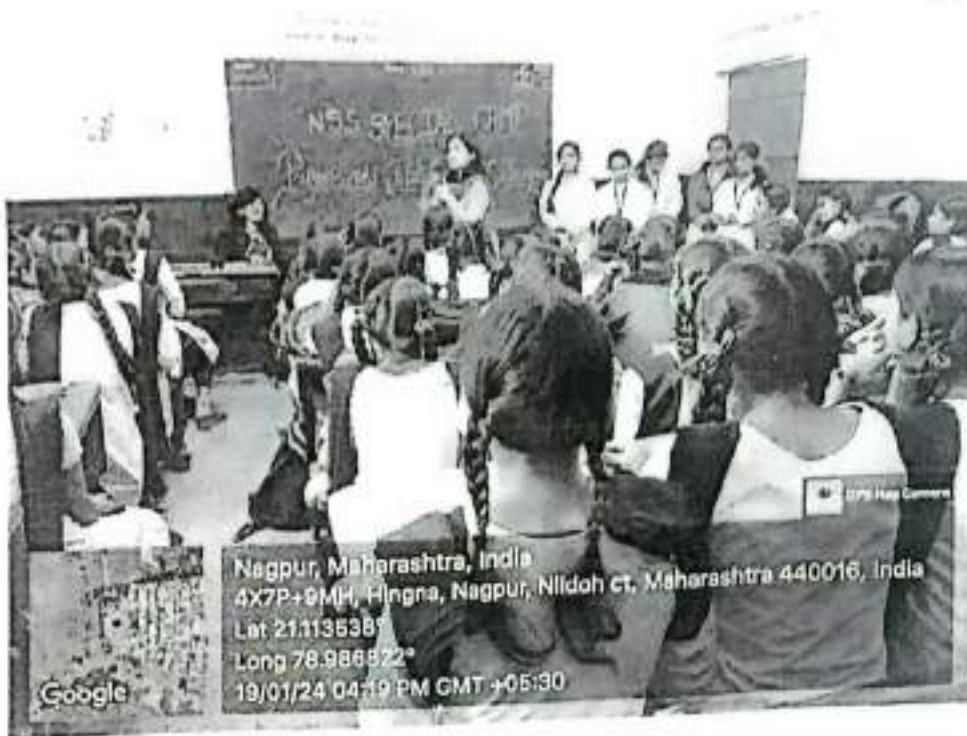

The Innovation & Entrepreneurship Outreach Program organized a successful visit to a local school, where we aimed to introduce the exciting world of innovation and entrepreneurship to school students. To motivate the students to dream big and believe in their own potential. Interactive Workshops: Engaging workshops were conducted to introduce students to the basics of entrepreneurship. Through group activities and brainstorming sessions, they learned about idea generation, problem-solving, and the importance of innovation in today's world. Real-life Case Studies: We presented real-life case studies of young entrepreneurs who started small ventures and achieved remarkable success. This allowed students to connect with the stories and understand that age is not a barrier to pursuing their dreams. Hands-on Activities: The students were encouraged to participate in hands-on activities, such as designing simple prototypes and mock business plans. This practical approach helped them grasp the fundamental concepts of entrepreneurship. Q&A Sessions: Interactive Q&A sessions were held, allowing students to ask questions and seek guidance from the speakers. This personalized interaction boosted their confidence and curiosity about entrepreneurship. Entrepreneurial Mindset: The program focused on nurturing an entrepreneurial mindset among the students. They were taught to view challenges as opportunities and to approach problem-solving with creativity and resilience. Importance of Failure: Students were encouraged to embrace failure as a stepping stone to success. They learned that failure is a natural part of the entrepreneurial journey and an opportunity to learn and grow. Entrepreneurship as a Career Option: The program emphasized entrepreneurship as a viable and fulfilling career option. Students were exposed to the various support systems available for aspiring entrepreneurs, such as incubation centers and startup accelerators. □ Team Building: Through team-building exercises, students learned the significance of collaboration and teamwork in building successful ventures. Vision for the Future: The program concluded with a visioning exercise, where students were encouraged to envision their future as successful entrepreneurs and leaders in their chosen fields. Overall, the

Innovation & Entrepreneurship Outreach Program at the school had a profound impact on the students, igniting their passion for entrepreneurship and instilling a sense of self-belief. By introducing them to the world of innovation and entrepreneurship at a young age, we hope to shape a generation of creative thinkers, problem solvers, and changemakers who will contribute positively to society's growth and progress.

All the above program responsibility on the under the guidance of the speaker Dr. Mrs. Shlipa A. Deshpande professor of department of pharmacology priyadarshini j l college of pharmacy, Nagpur. Thank you dear principal Dr. Dinesh R. Chaple sir for the permission to conducting such type of program on innovation and entrepreneurship for the community at school level al vote of thanks given by the Assistant professor Ms. Ragni A. Dani.

Program type: Seminar

Program Theme: "Celebrating Innovation & Resilience".

No. of student Participants: 32

No. of External Participants: Nil

Expenditure Amount: Nil

Mode of Program: Online Mode

Program Abstract

World Entrepreneur's Day- Celebrating Innovation & Resilience

World entrepreneur's Day is celebrated every year on 21st August, to recognize the contributions of entrepreneur's worldwide and inspire innovation and growth in the business sector. The day serves as a platform to promote entrepreneurship, raise awareness of the challenges faced by entrepreneurs and encourage the next generation of innovators.

All the planning and preparation for the seminar was done the day before the seminar. The Department of Pharmacy and Institute Innovation Council celebrated **WORLD ENTREPRENEURS DAY** on 21st August 2024 by organizing a guest lecture by Mrs. Roshni N. Deshkar, Assistant Professor from Pharmacology department, Priyadarshini J. L. College of Pharmacy on "**Importance of Entrepreneurship**".

Mrs. Roshni N. Deshkar, Assistant Professor - Pharmacology department said that Entrepreneurship plays a key role in job creation and economic growth by generating business opportunities and employing others in the process. She also stated that the entrepreneur's are important for community development and social welfare as their products and services lead to the social and economic wellbeing of communities, including supporting charities.
