Date: 09<sup>th</sup> - 11<sup>th</sup> August 2018

Venue: Priyadarshini J L College of Pharmacy, Hingna Rd, Nagpur

**Relevance to PO's:**

HPTLC is a liquid chromatography technique used for qualitative, quantitative, finger print analysis as well as micro-preparative isolations.

**Objectives:**

- 1) To make the participants aware about the various applications of HPTLC.
- 2) To introduce to the participants the concepts of isolation of various crude drugs.

**Beneficiary:** Students, Faculty, Institute

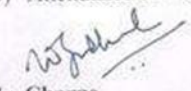

**Program Organizing Committee:** Pharmacognosy Department PJLCP

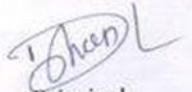

**Expected Outcomes:**

The three day Deminar will consist of lectures and hands on practical session in the area of Analysis of phyto-pharmaceutical and Natural products. The participants will be exposed to the latest trends in this area, including computational and experimental tools for identification and analysis of herbal fingerprinting analysis.

**Attachment needed:**

- 1) Abstract of the Deminar

## Event Report Abstract

### ABSTRACT OF THE DEMINAR

#### HANDS ON TRAINING FOR HPTLC BASED ON PHYTO-PHARMCEUTICALS AND NATURAL PRODUCTS ANALYSIS

A Deminar entitled "HANDS ON TRAINING FOR HPTLC BASED ON PHYTO-PHARMCEUTICALS AND NATURAL PRODUCTS ANALYSIS" by the Pharmacognosy department of Priyadarshini J.L. College of Pharmacy from 9<sup>th</sup> to 11<sup>th</sup> August 2018. The inaugural program began by giving a warm welcome to the Resource Person and an Introductory speech by Dr. D.R. Chaple, Principal, PJLCP, about the Application of HPTLC with respect to crude drug. Dr Prashant Puranik, Prof., Department of Pharmaceutical Sciences, RTMNU, Nagpur was the Chief-guest and Mr Shahrukh Bharucha, Sr. Manager Anchrom Enterprises, Mumbai was the Guest of Honour for the inaugural program. The inaugural function was followed by a plenary session by Mr Shahrukh Bharucha on the topic "Modern HPTLC Techniques for Natural Resources with USP Regulations" in which he outlined the fundamental principles of HPTLC, emphasizing its role in separating complex mixtures based on differential migration through a thin layer with widely utilized technique in the field of analytical chemistry, offering numerous advantages of adsorbent material. In the course of 3 days, Deminar was conducted in total 6 batches comprising of participants from Industry, Pharmacy Colleges in and around Nagpur, Maharashtra as well as outside Maharashtra. In all 284 delegates have been benefitted by the Deminar. Demonstrations were given by the technical team of Anchrom Enterprises, Mumbai comprising of Mr. Atul Dhamankar Sales Executive and Mr. Pratik Sinalkar Application chemist. The proceedings of the inaugural and Valedictory function were conducted by Dr Mrs. S.A Deshpande and Dr Mrs S.S Bakhle respectively while vote of thanks was delivered by Dr V.D Gulkari. The Deminar was conducted under the guidance of Dr D.R Chaple, Principal, PJLCP.

### Program Report

**Name of the program conducted:** Seminar entitled "Intellectual Property Rights: Unboxing the Concepts"

**Date:** 26/09/2018

**Venue:** Seminar Hall, PJLCP at 10 am

**Relevance to PO's:** To upgrade the knowledge of the faculty and students

#### Objectives

- To make them aware about the Intellectual Property Rights
- Motivate students for active participation in innovation activities
- To guide the students for filing of patents

**Beneficiary:** Students, Faculty, Institute

**Program Organizing Committee:** Guest Lecture Committee, PJLCP.

#### Expected Outcomes:

The session helped students to developed critical and innovative thinking and helped to boost their confidence and also made them aware about the different aspects they can focus on and need the area where they need to develop themselves for IPR and Start-Ups.

## ABSTRACT OF THE SEMINAR

### Intellectual Property Rights: Unboxing the Concept

A Seminar entitled "Intellectual Property Rights: Unboxing the Concepts" was organized by the Priyadarshini J.L. College of Pharmacy on 26/09/2018 at 11.0 am. Mr Amit Satpute, Rsearch Executive, Zim Laboratories Pvt Ltd., Nagpur was the resource person on the occasion. He was given a warm welcome by Dr D.R Chaple, Principal, PJLCP with a floral bouquet and a memento. He then guided the participants to provide a deeper understanding of Intellectual Property Rights (IPR), procedures for filing IPR and motivated the students to translate their innovations into patents which will provide recognition to them in their domain of research. The proceedings of the Seminar were conducted by Mrs S.S Bakhle. About 55 participants from the College attended the Seminar. Participants shared their queries at the end of the sessions. The event was held under the guidance of Dr. D.R Chaple, Principal, PJLCP.

### ABSTRACT OF THE WORKSHOP

#### Intellectual Property Rights

A Workshop on “**Intellectual Property Rights**” was organized by the Institute Innovation Council of Priyadarshini J.L. College of Pharmacy on 10/01/2019 at 10.30 am. The workshop comprised of 2 sessions, one by local expert and one through Facebook Live Session by Central Expert. The session began with an introductory note by Dr Mrs A, J Asnani, President, IIC welcoming everyone and initiating the proceedings of the session. Dr V. D Gulkari was the local expert of the Workshop who guided the participants to provide a deeper understanding of what Intellectual Property Rights (IPR) is about, tools of IPR, what can be patented, procedures for filing of patents copyrights, designs and their management. This session lasted for 2 hours. The next session was attended by the participants through Facebook Live Session conducted by MHRD Central Expert. Ms. Shwetasree Majumdar was the expert for this session wherein she guided about Innovations and patents, branding and trademarks, Industrial designs and protection of IP. The proceedings of the Workshop were conducted by Kumar Pratyush while vote of thanks was proposed by Dr Mrs. A, J Asnani. About 156 participants from the College attended the Workshop. Participants shared their queries at the end of the sessions. The event was held under the guidance of Dr. D.R Chaple, Principal, P.JLCP,

#### 4. Event Report: HPTLC-Current Practice and Applications in Collaboration with Anchrom.

### Program Report

**Name of the program conducted:** Seminar entitled "HPTLC- Current Practice & Applications" in collaboration with Anchrom (I) Pvt Ltd

**Date:** 13/03/2019

**Venue:** Priyadarshini J L College of Pharmacy, Hingna Rd, Nagpur

**Relevance to PO's:** HPTLC seminars provide a platform to expand your knowledge and understanding of the principles, techniques, and applications of HPTLC. You can gain insights into the latest advancements and developments in the field.

#### Objectives:

- 1) discover potential collaborators or partners for future research projects or business ventures. The networking environment provides a fertile ground for initiating discussions and exploring mutual interests.
- 2) expert speakers who are well-versed in HPTLC. They can provide valuable guidance, share their expertise, and address queries, helping participants improve their understanding and skills.

**Beneficiary:** Students, Faculty, Institute

**Program Organizing Committee:** Pharmacognosy Department PJLCP

#### Expected Outcomes:

- Participants attending the seminar should gain a deeper understanding of the principles, theory, and applications of HPTLC. They will learn about the instrumentation, sample preparation, chromatographic techniques, detection methods, and data analysis associated with HPTLC.
- HPTLC can be employed to determine the purity of a sample by comparing the intensities or areas of the target compound with those of impurities or related substances. The outcome would be assessing the purity of a substance or sample.

To,  
Mr. Dilip Charegaonkar,  
Managing Director and Chairman,  
Anchome Enterprises (I) Private Limited, Mumbai.

Dear Sir,

I would like to take this opportunity to express my gratitude for accepting our invitation for organizing a Seminar on "HPTLC-Current Practices and Applications" in Priyadarshini J. L. College of Pharmacy, Nagpur. I would also like to appreciate thank you to the Anchome Enterprises (I) Private Limited, Mumbai for organizing a seminar. The entire organizing committee has asked me to convey their appreciation for your fabulous participation and the support that you gave us in making the Seminar a success.

The efforts that you took to be part of the Seminar are worth appreciating. You took time out of your busy schedule and made your team available on a very short notice. The presentation of Mr. Dilip Charegaonkar on "Modern HP-TLC technique for natural resources with USP regulations" was really good and showed your knowledge in the field of chromatographic studies. In one day National seminar on HPTLC-Current Practices and Applications on 13<sup>th</sup> March 2019, more than 200 participants from various Institute, Organization, Industry and Laboratories take part.

I, Dr. D. R. Chaple, Principal, Chief coordinator as well as from the members of organizing committee, had a fabulous time with you. It was a learning process and I really had fun. It was indeed a pleasure to be part of a Seminar where you had collaborated and participated.

Once again, thank you for making the Seminar successful, and we appreciate your continued support. Looking forward to listen from you on various new technology of chromatography issues in the future.

Yours sincerely

  
26/03/19
