Program Report

Name of the program conducted: Workshop on "Hands on Training on Molecular Docking"

Date: 14/09/2019

Venue: Seminar Hall, PJLCP

Resource Person: Kumar Pratyush

Relevance to PO's: To upgrade the knowledge of the faculty and students with respect to new developments in the molecular docking and ADME

Objectives:

- 1) To make the participants aware about the usage of softwares in drug design
- 2) To introduce to the participants the concepts of computational techniques in drug discovery

Beneficiary: Students, Faculty, Institute

Program Organizing Committee: Institute Innovation Council, PJLCP.

Expected Outcomes:

The workshop provided a common virtual platform for all the UG, PG students and research scholars along with the faculty to understand in detail about a range of tools for compound design, virtual screening and predictive modeling beneficial for drug discovery process.

Attachment needed:

- 1) Abstract of the workshop
- 2) Workshop flyer
- 3) Registration details
- 4) Photographs of the event (Screen Shot)
- 5) Feedback of the program.

Program Report

Name of the program conducted: Seminar entitled "Research Grant Proposal: Avenues and Approaches"

Date: 17/10/2019

Venue: Seminar Hall, PJLCP at 2.0 pm.

Relevance to PO's: To enrich the students with the knowledge of avenues for research grants.

Objectives:

- 1) To make the students aware about the various funding agencies
- 2) To motivate and enhance the knowledge of students about pathways of research

Beneficiary: Students, Faculty, Institute

Program Organizing Committee: Guest Lecture Committee

Expected Outcomes:

Provide an opportunity to the students to interact with the renowned faculty from other Institution which can be beneficial and knowledge enriching for effective communication of their research ideas to various funding agencies

Attachment needed:

- 1) Abstracts of the event
- 2) Flyer of the Program
- 3) Screen shots of the Program
- 4) Notice for circulation
- 5) Attendance and Feedback of the program

Abstract of the Program

Research Grant Proposal: Avenues and Approaches

Priyadarshini J.L. College of Pharmacy, Nagpur organized a seminar entitled "**Research Grant Proposal: Avenues and Approaches**" on 17/10/2019 for UG final year, PG and research scholars of the College. The objectives of the seminar to enlighten the students regarding effective communication of their research work to funding agencies for availing grants. Dr. Shubhangi Pingle, Assistant Director, National Institute of Miner's Health, Nagpur was the Resource Person on the occasion wherein she guided the participants regarding research project writing, submission to various funding agencies like DST, DBT, SERB and others for fetching grants for projects. The proceedings of the event were conducted by Dr. Mrs. S.S Bakhle and Mrs. S.V Mangrulkar. Participants shared their queries at the end of the session which was addressed by her. The event was successfully conducted under the guidance of Dr. D.R Chaple, Principal, PJCPC.

About Workshop

The workshop includes the animal handling and surgical techniques useful for preclinical pharmacological studies. The practical training and demonstrations will encourage the participants to apply the knowledge in their research studies. The participants will also be benefited by the scientific sessions and interactions with the academicians and industry persons from various organizations.

Program Schedule

Date	Timing	Events
22 nd Nov 2019	9:00 to 10:00 am	Registration
	10:00 to 11:00 am	Inauguration
	11:00 to 12:00 noon	Plenary Session 1
	12:00 to 12:15 pm	Tea
	12:15 to 1:15 pm	Plenary Session 2
	1:15 to 2:00 pm	Business Lunch
23 rd Nov 2019	2:00 to 5:00pm	Demonstration
	9:30 to 10:00 am	Tea
	10:00 to 1:30 pm	Demonstration
	1:30 to 2:30 pm	Business Lunch
	2:30 to 3:30 pm	Plenary Session 3
	3:30 to 4:00 pm	Tea
	4:00 to 5:00pm	Valetory

Things to learn

- Preclinical studies and drug discovery
- Animal Handling Techniques
- Routes of Administration
- Intracerebroventricular Cannulation
- Chronic Constriction Injury
- Video Tracking System
- Animal Behavioural activity
- Toxicity studies

APTI Sponsored

TWO DAYS NATIONAL DEMONSTRATIVE WORKSHOP ON

"Surgical and Laboratory techniques in Preclinical Pharmacology"

22nd-23rd Nov 2019

Organized by
Lokmanya Tilak Jankalyan Shikshan Sanstha's
PRIYADARSHINI J. L. COLLEGE
OF PHARMACY

Approved by AICTE, PCI,
Affiliated to Rashtrasant Tukadoji
Maharaj Nagpur University
NAAC Accredited

About College

Priyadarshini J. L. College of Pharmacy, Nagpur is a pioneer pharmaceutical institution recognized nationally and internationally for imparting higher quality education since its establishment in 1997. The college has proved itself in producing pharmacy graduates, post graduates and conducting doctor research in field of pharmacy with sound scientific and technical background. The college is NAAC accredited, affiliated to RTM Nagpur university, Nagpur, AICTE and PCI.

About APTI

APTI, an association found by the pioneers of Pharmacy education in India in 1966 by leading personalities like Prof. M. L. Schroff, Prof. G. P. Srivastava and others, has come a long way in creating better intercommunication and promotion of excellence in pharmacy education. Through its tailor-made mission and objectives, the association has provided a single platform in bringing together teachers of pharmacy education from all over the country. This has helped in the achievement of excellent standards and to develop new technological methods in pharmacy education through the exchange of views amongst the teaching members. It has UGC & PCI listing of two Journals of repute to its credit IJPER and IJOPP. APTI has been addressing all Teachers Issues at every forum. It has now two International Branches. APTI has initiated many Teachers Training online modules. APTI has legacy to organize various collaborative International Conferences for giving platform for professionals.

ABSTRACT OF THE ONLINE WORKSHOP

COMPUTER AIDED DRUG DESIGN

An online workshop on "Computer Aided Drug Design" was held virtually through Google Meet by the Institute Innovation Council of Priyadarshini J.L. College of Pharmacy on 12/03/2020 at 11 am. Mr Kumar Pratyush, Asst Prof., PJLCP was the resource persons on the occasion. The event began with an Introductory speech by Dr. D.R. Chaple, Principal, PJLCP, about the salient features of molecular docking and ADME in drug discovery process. The resource persons then provided insights on the Pyrex software which provides a state-of-the-art and scientifically rigorous approach to understanding the binding of compounds in their protein targets in 3D. how the softwares facilitates drug discovery and optimization. They explained at length about compound design, virtual screening and predictive modeling and calculation of ligand efficiency facilitating the drug discovery process with case studies. Vote of thanks was proposed by Dr Mrs. A, J Asnani. The faculty members and the UG, PG students and research scholars of Priyadarshini J.L. College of Pharmacy attended the workshop. Participants shared their queries in the chat box which were addressed by him at the end of the session. The event was held under the guidance of Dr. D.R Chaple, Principal, PJLCP.

Program Report

Name of the program conducted: Webinar entitled "Entrepreneurship Development"

Date: 20/05/2020

Venue: Virtual through Google Meet at 11 am

Relevance to PO's: To upgrade the knowledge of the faculty and students

Objectives

- a) To make them aware about the Start-Up and entrepreneurship
- b) Develop the ability to identify ethical and legal issues
- c) To motivate and guide the students for entrepreneurship development

Beneficiary: Students, Faculty, Institute

Program Organizing Committee: Institute Innovation Council, PJLCP.

Expected Outcomes:

The session helped students to developed critical and innovative thinking and helped to boost their confidence and also made them aware about the different aspects they can focus on and need the area where they need to develop themselves for start-ups.

ABSTRACT OF THE WEBINAR

Entrepreneurship Development

A Webinar entitled "Entrepreneurship Development" was organized by the Institute Innovation Council of Priyadarshini J.L. College of Pharmacy on 20/05/2020 at 11.0 am. Virtually through Google Meet. The session began with an introductory note by Dr Mrs A, J Asnani, President, IIC, about the IIC and its role and action plans. Dr V. D Gulkari guided the participants to raise their awareness regarding start-ups an entrepreneurship. He discussed at length the the steps that should be taken in entrepreneurship development. He also shed light on the ability of entrepreneurs to develop a moral compass that allows them to lead their business organization in a manner consistent with ethical and legal principles. The proceedings of the Seminar were conducted by Mr S.K Shah, Asst. Prof., PJLCP while vote of thanks was proposed by Dr Mrs. A, J Asnani. About 76 participants from the College attended the webinar. Participants shared their queries at the end of the two sessions. The event was held under the guidance of Dr D.R Chaple, Principal, PJLCP.
