Program Report

Name of the program conducted: Webinar entitled "Role of Molecular Docking and ADME in Drug Discovery using SeeSAR and STAR DROP"

Date: 03/07/2021

Venue: Virtual through Microsoft teams at 11 am

Relevance to PO's: To upgrade the knowledge of the faculty and students with respect to new developments in the molecular docking and ADME

Objectives:

- 1) To make the participants aware about the various applications of SeeSAR module of Star Drop
- 2) To introduce to the participants the concepts of computational techniques in drug discovery

Beneficiary: Students, Faculty, Institute

Program Organizing Committee: Institute Innovation Council, PJI,CP.

Expected Outcomes:

The webinar provided a common virtual platform for all the UG, PG students and research scholars along with the faculty to understand in detail about a range of tools particularly the SeeSAR for compound design, virtual screening and predictive modeling beneficial for drug discovery process.

Attachment needed:

- 1) Abstract of the webinar
- 2) Webinar flyer

ABSTRACT OF THE WEBINAR

ROLE OF MOLECULAR DOCKING AND ADME IN DRUG DISCOVERY USING SEESAR AND STAR DROP

A webinar entitled “**Role of Molecular Docking and ADME in Drug Discovery using SeeSAR and STAR DROP**” was held with the theme “**R and D: Innovation and Design Thinking**” by the Institute Innovation Council of Priyadarshini J.L. College of Pharmacy virtually through Microsoft Teams on 3/07/2021 at 11 am. Mr. Girinath Pillay, CEO, Zastra Innovations, Bengaluru was the resource person on the occasion. The inaugural program began by giving a warm welcome virtually to the Resource Person by Dr Mrs A, J Asnani, President, IIC. It was followed by an Introductory speech by Dr. D.R. Chaple, Principal, PJLCP, about the salient features of molecular docking and ADME in drug discovery process. The resource persons then provided insights on the SeeSAR module for StarDrop which provides a state-of-the-art and scientifically rigorous approach to understanding the binding of compounds in their protein targets in 3D. how Star DROP facilitates drug discovery and optimization. He explained at length about this module of Star Drop for compound design, virtual screening and predictive modeling and calculation of ligand efficiency facilitating the drug discovery process with case studies. The proceedings of the webinar were conducted by Kumar Pratyush, Asst. Prof., PJLCP while vote of thanks was proposed by Dr Mrs. A, J Asnani. The faculty members and the UG, PG students and research scholars of Priyadarshini J.L. College of Pharmacy attended the webinar. Participants shared their queries in the chat box which were addressed by him at the end of the session. The feedback of the entire event was taken online through Google form which was shared in the chat box. The event was held under the guidance of Dr. D.R Chaple, Principal, PJLCP.

Program Report

Name of the program conducted: Webinar entitled "Research and Writing Skill in Education"

Date: 28/10/2021

Venue and Mode of Program: Online through Google Meet at 11 am.

Relevance to PO's: To enrich the students with the scientific knowledge and enhance their communication skills.

Objectives:

- 1) To make the students aware about the format of thesis and research paper
- 2) To motivate and enhance the communication skills of the students in making effective communication to various journals having a high impact factor.

Beneficiary: Students, Faculty, Institute

Program Organizing Committee: Guest Lecture Committee

Expected Outcomes:

Provide an opportunity to the students to interact with the renowned faculty from other college which can be beneficial and knowledge enriching for effective communication of their research projects through thesis and research papers.

Attachment needed:

- 1) Abstracts of the event
- 2) Flyer of the Program
- 3) Screen shots of the Program

Abstract of the Program

Research and Writing Skill in Education

Priyadarshini J.L. College of Pharmacy, Nagpur organized a webinar entitled “**Research and Writing Skill in Education**” with the theme **Research Methodology** on 28/10/2021 for UG final year, PG and research scholars of the College. The program was arranged online through **Google Meet** to enlighten the students regarding effective communication of their research work in scientific journals. Dr. Biren Shah, Professor, Shree Naranjibhai Lalbhai Patel College of Pharmacy, Surat, Gujarat was the Resource Person on the occasion wherein he guided the participants regarding the various aspects of thesis writing as well as research papers writing with regards to journal selection, publication platforms, plagiarism detection for empowering their research and writing skills. The proceedings of the event were conducted by Dr. Mrs. S.S. Bakhle and Mrs. S.G. Gurunani. Participants shared their queries in the Google Meet chat box which were addressed by him at the end of the session. The feedback of the entire event was taken online through Google form which was shared in the chat box.. The event was successfully conducted online under the guidance of Dr. D.R. Chaple, Principal, PJLCP.

The screenshot shows a Google Meet interface. The main window displays a presentation slide titled "A GOOD THESIS STATEMENT". The slide content includes:

- THESES STATEMENT** (part of a word cloud)
- THESES STATEMENT** (text)
- WHAT MAKES A GOOD THESIS?** (text with a question mark icon)
- A GOOD THESIS STATEMENT** (Section Header)
 - Must be a statement, not a question.
 - Must be a complete sentence.
 - It is an opinion and shows intent; it cannot be a simple statement of fact.
 - Should have only one guiding idea.
- Choose the main idea and pin it down in a clear statement/assertion. This has to be well summed up in a concise sentence allowing the reader to know where you're going? and why?
- A thesis statement should be specific and not too general. Otherwise, you will have to write a lot of content to support it! Unless you are writing a long essay this should be avoided!

Participants listed in the "People" panel include:

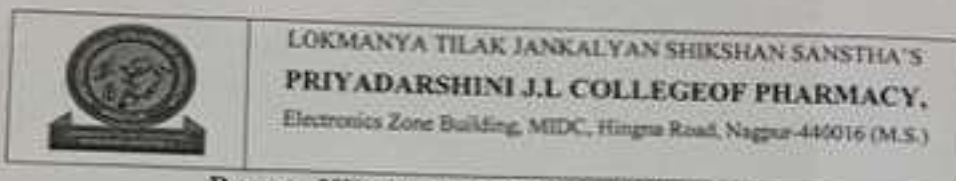

- Dr. Biren Shah (Presenting)
- Jaya Deotale
- Shraddha Vairag...
- Sonal Motghare
- Nikhil Nahokar
- Dinesh Chaple
- 31 others
- You

Other participants in the call include: Suparna Bakhie (you), Aniket Kuthe, Ankita Jaurjal, Anup Thakre, Dinesh Chaple, Dr. Biren Shah, Dr. Biren Shah Presentation, Jaya Deotale, and kalyani deshpande.

The bottom of the screen shows the Windows taskbar with the time 3:23 PM, date 28-10-2021, and temperature 32°C.

3. Event Report: One day online workshop on “Good Clinical Practice”

Report of Workshop on Good Clinical Practice

Name of the program organized: One day online workshop on 'Good Clinical Practice'. In association with Alchemy Clinical Research Services, Nagpur

Date: 18 November 2021

Venue: Zoom meet

Relevance to PO's: To know the regulatory aspects of good clinical practice

Objectives: To understand terminology, guidelines, and various aspects of good clinical practice to be followed during clinical research.

Resource Person: Dr. Abhijit Munshi, Ms. Shradha Zarkar

Beneficiary: PG Students, Faculty, Institute

Program Organizing Committee: Pharmacology Department

Expected Outcomes:

Total 301 students and faculty from various colleges/institutions were participated in the workshop. The workshop encouraged the participants to understand the concept of good clinical practice, various regulatory guidelines which will be beneficial for the careers in clinical research field.

ABSTRACT OF THE WEBINAR

INNOVATION CELL: SYSTEMATICALLY FOSTERING THE CULTURE OF INNOVATION

A webinar entitled "Innovation Cell: Systematically Fostering the Culture of Innovation" was held by the Institute Innovation Council of Priyadarshini J.L. College of Pharmacy virtually through Google Meet on 18/12/2021 at 11 am. The aim of this seminar was to motivate and guide the students through the three sessions by the Institute Innovation Ambassadors. Dr. Mrs. A. J. Asnani, President IIC, Dr. V.D Gulkari, Convener, IIC and Dr. Mrs. S.S Bakhle, Vice President, IIC were the resource person on the occasion. Dr. Mrs. A.J. Asnani, briefed the participants about the objectives and functions of IIC and provided insights on "Research and innovations in Drug Discovery Process". Dr. V.D Gulkari spoke on "Entrepreneurship Development" to raise basic awareness of entrepreneurial concepts and to enable students to identify and learn how to make a mindset to take up entrepreneurship as a career. He also explained in detail about the various attributes of successful entrepreneurs such as drive, communication skills and technical skills. Dr. Mrs. S.S Bakhle guided the participants with the topic "Innovations in Pharmaceutical Product Development". The proceedings of the webinar were conducted by Mr. S.K. Shah. The faculty members and about 60 participants from UG, PG course and research scholars of Priyadarshini J.L. College of Pharmacy attended the webinar. Participants shared their queries in the chat box which were addressed by the resource persons at the end of the session. The feedback of the entire event was taken online through Google form which was shared in the chat box. The event was held under the guidance of Dr. D.R. Chaple, Principal, PJLCP.

Program Report

Name of the program conducted: Webinar entitled "Intellectual Property Rights and IP Management"

Date: 18/01/2021

Venue: Virtually through Google Meet at 10 am

Relevance to PO's: To upgrade the knowledge of the faculty and students

Objectives

- To make them aware about the Intellectual Property Rights
- Motivate students for active participation in innovation activities
- To guide the students for IP management

Beneficiary: Students, Faculty, Institute

Program Organizing Committee: Institute Innovation Council, PJICP.

Expected Outcomes:

The session helped students to develop critical and innovative thinking and helped to boost their confidence and also made them aware about the different aspects they can focus on and the area where they need to develop themselves for IPR.

ABSTRACT OF THE WORKSHOP

Business Model Development

A Workshop entitled “**Business Model Development**” was held with the theme “**Innovation Cell: Systematically Fostering the Culture of Innovation**” by the Institute Innovation Council of Priyadarshini J.L. College of Pharmacy on 05/05/2022 at 9.0 am. The session began with an introductory note by Dr Mrs A, J Asnani, President, IIC welcoming all the participants and introducing the IC activities. DR D.P Kawade guided the participants on the types of business models and motivated the students for start-ups and entrepreneurship goals. The proceedings of the Workshop were conducted by Dr Mrs S.S Bakhle, Associate Prof., PJLCP while vote of thanks was proposed by Dr Mrs. A, J Asnani. About 68 participants from the College attended the Seminar. Participants shared their queries at the end of the two sessions. The event was held under the guidance of Dr. D.R Chaple, Principal, PJLCP.

7. Event Report: Webinar entitled “Dissolution testing and its application”

Program Report

Name of the program conducted: Webinar entitled “Dissolution testing and its applications”

Date: 13/05/2022

Venue: Virtual through Microsoft teams organized in association with SOTAX India Pvt.ltd

Relevance to PO's: To upgrade the knowledge of the faculty and students with respect to new developments in the Dissolution tools available

Objectives:

- 1) To make the participants aware about the various applications of dissolution testing and types of apparatus available
- 2) To introduce to the participants USP Dissolution apparatus Type IV and its applications

Beneficiary: Students, Faculty, Institute

Program Organizing Committee: Department of Pharmaceutics, PJLCP.

Expected Outcomes:

The live webinar provided a common virtual platform for all the UG and PG students along with the faculty to understand in detail about what is Dissolution testing, its applications and newer developments in the instrumentation used for dissolution testing.

Attachment needed:

- 1) Abstract of the webinar
- 2) Webinar flyer
- 3) Registration details
- 4) Photographs of the event (Screen Shot)
- 5) Feedback of the program

ABSTRACT OF THE WORKSHOP PROTOTYPE PROCESS DESIGNING

A Workshop entitled "Prototype Process Designing" was held with the theme "Innovation Cell: Systematically Fostering the Culture of Innovation" by the Institute Innovation Council of Priyadarshini J.L. College of Pharmacy on 10/06/2022 at 9.0 am. Dr V.D Gulkari, Associate Professor, PJLCP and Dr D.P Kawade, Associate Professor, PJLCP were the resource person on the occasion. The inaugural program began by giving a warm welcome to the Resource Person by Dr Mrs A, J Asnani, President, IIC. Dr D.P Kawade enlightened the gathering the different stages of prototype designing with respect to defining, focusing on features, production, testing and presenting. Dr V.D Gulkari, provided insights on different forms of prototypes and guided the students to develop models beneficial to the health sector and society in general with case studies. The program ended with address by Dr. D.R. Chaple, Principal, PJLCP, motivating the students for translating innovative ideas into meaningful products/services. The proceedings of the Workshop were conducted by Dr Mrs S.S Bakhle, Associate Prof., PJLCP while vote of thanks was proposed by Dr Mrs. A, J Asnani. The faculty members and about 68 participants from UG, PG and research scholars of Priyadarshini J.L. College of Pharmacy attended the Workshop. Participants shared their queries at the end of the two sessions. The event was held under the guidance of Dr. D.R Chaple, Principal, PJLCP.

ABSTRACT OF THE SEMINAR

OUT OF BOX THINKING FOR PROBLEM SOLVING

A Seminar entitled "Out of Box Thinking for Problem Solving" was held with the theme: "Innovation Cell: Systematically Fostering the Culture of Innovation" by the Institute Innovation Council of Priyadarshini J.L. College of Pharmacy on 28/06/2022 at 9.0 am.. The session began with an introductory note by Dr Mrs A, J Asnani, President, IIC, about the IIC quarterly plans in initiating various activities. Mr. S. K. Shah and Mr. P. N. Amale later on conducted the session and did the mentoring of the participants. IIC members, Ujban Hussain, Samiksha Tammewar, Dynakshi Lohkare and Gouri Vishakarma share innovative thoughts and research ideas. The proceedings of the Workshop were conducted by Dr Mrs S.S Bakhle, Associate Prof., PJLCP while vote of thanks was proposed by Dr Mrs. A, J Asnani. About 12 participants from IIC attended the Seminar. Participants shared their queries at the end of the two sessions.
