ABSTRACT OF THE PROGRAMME

World's Pharmacist Day was celebrated by LTJSS, Priyadarshini J.L. College of pharmacy. The event was organized on 25th September, 2018. Pharmacists are an integral part of the health care society. "Pharmacists: Your Medicines Expert" was the theme of this year's World Pharmacists Day. The theme of World Pharmacists Day emphasizes that pharmacists are a trusted source of knowledge and advice, not only for patients but for other healthcare professionals. For every patient who walks into a pharmacy, pharmacists ensure that the right medicine is provided at the right dose and in the most suitable formulation.

Various events like felicitation of the Pharmacists, Skit, creative DP Competition, Greeting Card making Competition, Poster Competition, essay competition, Elocution competition and Quiz competition were organized on the occasion.

The event started with an inaugural function, lighting of traditional lamp and worshipping Goddess Maasaraswati. A brief introduction of pharmacist day celebration and importance of theme of this year was conveyed to students, followed by a key note address by Principal Dr. D.R. Chaple. It was then followed by the Pharmacist Oath, BhashajiGeet. Students expressed their views on the occasion and the programme was concluded by Rashtagaan. Proceedings for inaugural function were handled by Dr. Mrs.S.A. Deshpande.

After inaugural function the team headed in presence of Dr. D. PKawade, NSS Incharge and Mr. Y.N.Gholse to Neeldoh Village. A skit was performed by the third-year students and NSS team focussing the role of pharmacist in generating awareness among the people especially in rural areas regarding proper medications, checking expiry dates, importance of prescription etc.

Another team moved for the felicitation of pharmacist by offering them greeting cards, flowers and chocolates. Meanwhile some events like Poster Competition, Essay Competition, Creative DP Competition, Greeting Card Making Competition were arranged and same were evaluated by respective evaluators from teaching faculty.

The next event was the Elocution Competition which was organized by second year students. The topic of the elocution was "Why I want to become a pharmacist?". The students as well as the teachers enjoyed the elocution as it was very informative.

Elocution competition was followed by 'The Quiz Competition' which was organized by third year students. There were 6 teams each comprising of 2 members from each class. Various rounds like abbreviations and acronyms, inventions & discoveries, Pharmacist as medicine specialist and pharmaceutical marketing were included in the competition. A special round for audience was also there. Overall the event was very informative & everyone participated enthusiastically.

All the events were organized by a team of students from B. Pharm I-IV. All teaching staff helped the students to make this event a success. Event was concluded by giving special thanks to all teacher incharge and co-in charges, all evaluators of competition and students. Vote of thanks was given by Mrs. S.V.
