PRIYADARSHINI J. L. COLLEGE OF PHARMACY
Electronics Zone Building, MIDC, Hingna Road, Nagpur, 440016 (M.S.)

Swargiya Dadasaheb Kalmegh Smruti Dental College & Hospital, Nagpur (Hereinafter referred to as SDKSDCH) is the premier Institute of Central India. Since its very inception in 2006. It has untiringly toiled amongst the most backward regions and the least privileged to provide them the opportunity to become self-reliant. It is located at Wanadongri on Hingna road situated in the outskirts of the Nagpur city.

PRIYADARSHINI J. L. COLLEGE OF PHARMACY, Nagpur (Herein after referred to as PJLCP) is a pioneer Pharmaceutical Institution recognized for imparting high quality education since its establishment in 1997. The college has proved itself in producing graduates, post graduates and conducting doctoral research in the field of Pharmacy with sound scientific and technical background. The college is NAAC accredited, recognized by AICTE, PCI and affiliated to RTM Nagpur University, Nagpur.

This **MoU** shall commence from the date of its signing and shall continue for a period of Five years from date of its signing, unless either party notify in writing to the other party of its intention to terminate. PJLCP and SDKSDCH recognize that they share common goals and are desirous to establish a cooperative agreement for mutual benefit.

The said agreement between PJLCP and SDKSDCH will be in the following areas:

- 1. Technical Training Programs (TTPs):** TTPS helps to improve the knowledge & the skills of the individuals. An individual undergoing TTPS can benefit in multiple ways. He will be in a position to improve his productivity. This MoU's also envisages series of Technical Training Programs for the employees of SDKSDCH.
- 2. Industrial Testing & Use of Laboratories:** It is an important area to collaborate for both PJLCP and SDKSDCH members and shall utilize the various Laboratories that are available with PJLCP. The equipment & faculty expertise could be used by the SDKSDCH for varied purpose on chargeable basis as on decided by PJLCP.

3. Undertaking Need based Projects: The problems faced by an Institute/ Hospital undertaking are many viz. technical, biomedical, human, system & procedures. In this collaboration, the PJLCP will undertake Consultancy activities which will be need based. The activity will involve Problem Identification, Problem Definition, Data collection, Data Analysis, Problem solving by taking corrective actions. These projects would be undertaken in joint consultation and benefits will be shared suitably.

4. Institute Visit: It is an activity, where student community would like to experience the real life work situations. This MoU's will provide an opportunity to the students of PJLCP of different branches to visit the hospital research activities and vice versa.

5. Guest Faculty/Visiting Faculty: PJLCP will invite SDKSDCH experts to share their experience with students of PJLCP through Entrepreneurship Development Cell of various departments and vice-versa. These lectures would be organized on a mutually agreeable time & date. It is expected that SDKSDCH will depute the senior professors /doctors who are ready to share their experience with students of PJLCP.

6. Confidentiality: As part of this MoU's, either party will acquire or develop confidential and proprietary information concerning its dealings and methods of dealings. Both parties agree that such Confidential Matter is for the other party's exclusive benefit and that, either party will not directly or indirectly use or disclose any Confidential Matter, except for specified purpose. Receiving party shall use the Confidential Matter of the other party only to its employees, directors and advisors on a 'need to know' basis. Disclosing party does not give any warranty for accuracy or completeness of confidential matter. Upon the termination of this MoU's, either party will promptly return all confidential matters to the other party. The confidentiality obligations stated herein shall survive for two (2) years after termination of this MoU's. The obligations contained in this Clause shall not apply to information in the public domain or is received from a third party without restrictions or is developed independently or is in possession of the receiving party.

7. Presentation/Dissertation Evaluation: As a part of curriculum the students of PJLCP prepare dissertation/Presentation. SDKSDCH will support this activity of PJLCP by sharing technical data, Clinical Data and the necessary guidance to the students to make their dissertation/presentation technically perfect and unique.

8. Agreements for Research Collaboration: Each research collaboration undertaken by the parties hereunder shall be initiated by the signing of a separate research agreement between the parties, which will describe in detail:

- a. The nature, scope and schedule of the research collaboration.
- b. In the form of the research collaboration.
- c. The estimated cost of the research collaboration together with the amount of funding, if any, to be received from third parties.

**MEMORANDUM OF UNDERSTANDING (MOU) FOR
RESEARCH PARTNERSHIP AND COLLABORATION**

Between

GURUNANAK COLLEGE OF PHARMACY,

Nagpur, Maharashtra, India

And

PRIYADARSHINI J L COLLEGE OF PHARMACY,

Nagpur, Maharashtra, India

1. **Brief introduction of both parties:**

Under the aegis of **The Sikh Education Society**, Gurunanak Technical Institute (Diploma in Pharmacy) was established in the year of 1983. Gurunanak College of Pharmacy (GNCP) was established in 2004, in the subsequent year's postgraduate courses (2009) and PhD (2014) in the pharmaceutical sciences was introduced. The college is situated on 10 acres of land away from the hustle & bustle of busy city traffic, in the peaceful area of Nari which is very well within the Nagpur city limits. A spacious, well planned, well lit, well ventilated building surrounded by the lush green campus is many neighbors' envy. The college has been successful in imparting quality education in pharmacy at all levels throughout these years and it is also providing a well equipped platform to carry out the research activities that are recognized at both national and international levels.

The institute has robust infrastructure that caters to the needs of the students. This covers aspects of teaching-learning, extra-curricular activities, social outreach, sports, gender equality, cultural involvement and research accomplishments. The success stories of the institute highlight hard work by enriched faculty members and obviously our beloved students including strong alumni. There are about 23 full time teachers in the institute and most of them are PhDs. We are trying to carry out quality research work both in the basic research as well as in industry oriented research. The quality of our research can be judged by the quality of our publications and by the fact that our research is actively utilized in the industry.

AND

Priyadarshini J. L. College of Pharmacy (Degree), Formerly J. L. Chaturvedi College of Pharmacy (Degree) (JLCCOP) is one of the most renowned colleges of central India imparting quality education in Pharmaceutical Sciences. Established in the year 1997, the college offers undergraduate as well as post graduate courses in Pharmaceutics, Pharmaceutical Chemistry, Pharmacology, and Pharmacognosy.

Ph.D. research centre for developing excellent research facilities for the benefit of the students and faculty. The institute has track record of research and development as evident from recent publications.

Both the institutes have agreed to enter into a Memorandum of Understanding (MOU) considering the long-term benefits of sharing the knowledge between the Institutes and establish a vibrant academic collaboration, by undertaking joint activities in their respective field of research,

2. Objectives and scope:

- This agreement ensures the collaborative research between GNCPand PLJCP in the field of Pharmaceutical Sciences.
- Both institutes will provide the required facilities to carry out the joint research activities without any financial expectations.
- In case of funded projects, government and non-government, sharing of financial resources will be decided based on the nature of activities to be performed in the project.
- Intellectual property of the product and the process through collaborative research will be equally held by both institutions and confidentiality of the research will be respected.
- In case of commercialization and patent filing of the product obtained out of this collaboration, both parties will consult before taking any financial decisions.
- Promotion of scientific aptitude in student through organization of joint scientific workshops and conferences.
- Student and faculty exchange programs where faculty or student of one institute will be invited to teach or share knowledge with the students and faculty of the other institute.

2.0 Executive responsibilities:

- Faculty of PJLCP will be performing research and administration through Principal.

- Faculty of GNCP will be responsible for taking decisions and execution of research activities through Principal.
- Responsible individuals of respective institutes will be joint investigators of the research projects.
- Due scientific weightage will be given to research involved in the research work for patents, publications, and commentaries.

3.0 Confidentiality clause:

It is hereby agreed that both the Institutes shall keep information and data collected completely confidential, not to reveal without knowledge of both parties, for further development.

4.0 Publication policy:

With mutual consent of both institutions and due acknowledgement of contribution from individuals involved in scientific outcomes, research can be published.

5.0 Duration:
