Annual e-Governance

Report

ANNUAL E-GOVERNANCE REPORT

Academic Year 2021-22

The institute implemented E-Governance in the areas of Administration, Finance & Accounts, Student admission & support and Examination.

- The institute has implemented e-governance automating the record keeping of new admissions, maintenance of student profile & examination process.

- Students can also check their profile using unique ID and password via https://erp.ltjss.net/ and retrieve necessary information.

- ERP software has also facilitated collection of student's fee, generation of receipt, financial reports.

- Library is automated using ERP software where book list, transaction report and issue-return of books are managed efficiently.

- Student feedback, alumni feedback and other feedback were taken in online mode.

- Zoom and Google Meet applications were used to conduct different online events and activities in the institute.

- ERP has also enabled automation of various administrative processes within the institute which includes dissemination of information, record keeping, streamlining operations and workflow administration enhancing efficiency and transparency.

- Faculty members also upkeep their profiles with recent records on ERP software via https://erp.ltjss.net/

Overall, the implementation of e-Governance in these areas lead to improved efficiency, transparency, accessibility, and accountability reducing paperwork, enhancing data management, and providing better services to stakeholders

ANNUAL E-GOVERNANCE REPORT
Academic Year 2019-20

Priyadarshini J L college of Pharmacy, Nagpur has ERP software for the smooth implementation of e-Governance in the following areas of operation;

1. Administration
2. Finance and Accounts
3. Student Admission and Support
4. Examination

- **Administration:** ERP streamlined administrative processes by automating tasks such as document management, workflow management, and communication. It enabled efficient data storage, retrieval, and sharing, reducing paperwork and manual handling of documents. With e-Governance implementation, administrative tasks like leave management, employee attendance tracking, and procurement processes were automated, leading to faster decision-making and improved transparency.

- **Finance and Accounts:** With e-Governance, financial data can be consolidated and analyzed more efficiently, accurate forecasting, auditing, and reporting. The institution has biometrics machine linked with the ERP Portal which helps in generating salaries of personnels. The fee structure module is available in Student ERP database and is linked directly with accounts department. All the finance and account related work is done by Office Administrative Clerk on Tally. ERP 9.

- **Student Admission and Support:** ERP provided student support services such as Enquiry, Admission forms, timetable, student satisfaction survey, student feedback and notes are available in ERP and students are allotted individual ERP ID with password that helps them to access them. Also maintaining student details, dissemination of information, accessibility to study materials and attendance are managed.

- **Examination:** The university examinations are conducted through RTMNU Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur, Examination Section Portal managed by a agency EXERCEO. Institute has been provided with username and password to enter the marks of every students.

- All the students, faculty members and staff were provided with ERP Id and password to access the ERP portal.

Overall, the implementation of e-Governance in these areas lead to improved efficiency, transparency, accessibility, and accountability reducing paperwork, enhancing data management, and providing better services to stakeholders
